DÉTAILED ACTION

Allowable Subject Matter

1. Claims 5, 7-10, 12-15, 17-28 respectively renumbered as 1-21 are allowed.
2. The following is an examiner's statement of reasons for allowance:

Kawamura et al (US 6,151,441) discloses an information record medium comprising a lead-in area, management information for the whole of the recording information, and a lead out area as seen in Figure 3-4. However, the prior art of record fails to disclose, suggest or teach the following limitation,

"a lead-out area is formed and a data group is recorded; the lead-in area is formed at the inner radius side of the information record medium, and the lead-out area is formed at the inner radius side of the information record medium, the information record medium further comprising: a mid area at the outer radius side of the first recording layer, and another mid area at the outer radius side of the second recording layer."

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
